# EMPLOYEE ENGAGEMENT
NURSING SUMMARY PAGE

Nursing Engagement items will be available on their own summary page if your organization included the 31 nursing specific survey items.

Summary | Nursing Summary | Strengths Concerns Item Details Org Details Improvement Plans Advanced Reporting Comments Comment Analytics Response Rates

If the group you are looking at includes more than just nurses, utilize filters to view the nursing population.

Nursing Engagement Chart

The Nursing Engagement Chart displays each of the seven Nursing themes your organization could select to apply for Magnet Nurse Satisfaction. Additionally, it shows the theme score and each theme's difference from the benchmark and history.

Nursing Engagement Data

Below the Nursing Engagement Chart is the Nursing Engagement Data table. This table shows each theme and the same scores as above.

Nursing Engagement Data

Theme	Score	vs. Nat'l Healthcare Avg (Employee) 2021	vs. 2020 Central Health
Adequacy of Resources & Staffing	3.63	+0.05	-0.04
Autonomy	3.91	+0.04	0.00
Fundamentals of Quality Nursing Care	4.22	-0.05	-0.01
Interprofessional Relationships	3.83	+0.03	-0.02
Leadership Access & Responsiveness	3.90	-0.09	-0.02

Note: The Nursing Engagement items can be exported using the **Export** icon at the top right of each section.
